Dear Parents,

During the month of October the students at SCA will celebrate All Nations Month. Each class will select a country to study and will enjoy many fun and interesting activities related to that country. On Friday, October 7, we will have an **International Marketplace** set up in the school auditorium. Booths will be available for the students to visit, to taste food, do crafts, to see books/ display items from around the world.

The sixth through eighth graders will be studying Greece. We will be completing a number of projects in the classroom so homework will be limited. ☺

Mrs. Bezzerides, a former teacher/principal who has Greek heritage and has traveled to Greece on a number of occasions will make a presentation to the class on Monday, October 3rd. The class will make a Greek main dish, dolmas, on Tuesday, the 4th of October with the assistance of Mrs. Bezzerides.

Clothing for the day is a tunic called *chiton (ki-ton)*. *It looks something like a toga.*
Please send a bright colored sheet (old is acceptable) that can be cut with your child on Thursday, October 6th.

Please check and return to Mrs. Gipson as soon as possible. Thanks

I can:
