## January 9<sup>th</sup>-13<sup>th</sup>

### What we are doing this week:

This week we will be learning the letter Ll as well as how to write it. We will also learn the number 11 as well as how to write it. We will continue our unit on snowmen. Be sure and review with your child the shapes, colors, letters and numbers we have done up to this point. Some of them are struggling with recognizing the things we have learned. Working with them on what we are working on in class will greatly benefit your child! Some other things you can work on are coloring a certain number of objects, counting objects and putting numbers in order.

### Looking Ahead:
