November 14th-18th

What we are doing this week:

This week we will start working on the letter Ii and it's sound as well as how to write it. We will learn the number 8 as well as learn how to write it. We will start our one-week unit on Thanksgiving. Be sure and review with your child the shapes, colors, letters and numbers we have done up to this point. Some of them are struggling with recognizing the things we have learned. Working with them on what we are working on in class will greatly benefit your child!

Looking Ahead:

November 21st-25th is Thanksgiving break. We will have NO SCHOOL during that week!

December 13th- Holiday Program 7:00 PM

December 16th-January 3rd- Winter Break

Just to let you know:

- Our school collects box tops in order to get money for the school. You can find labels for education on many things; soup labels, cake mixes, cereal boxes, etc.
- I am in need of more Treasure box toys! You will be able to get volunteer hours for this! Make sure you give me the receipt so I can give you the correct amount of hours.
- Please make sure that if your child needs a spoon or fork to eat part of their lunch that you include that in their lunch pail. I cannot give them spoons and forks everyday.
- It is going to be getting darker sooner. Some days the door to the preschool might be locked for safety reasons when you pick your child up. Please ring the doorbell and we will come let you in. Thanks.

Scholastic Book Orders:

Book orders are due back by November 18th if you want to order books. If you would like to order any scholastic books online at any time, the activation code for my class is HHXDG. Ordering online gives our class a chance to get some free books!

Homework:

Homework is due **Friday, November 18th**. If your child's homework is completed neatly and they tried their best on it, they will get a treasure box toy. Note that if they do not have their homework **complete** they will not be able to receive a treasure box. Read carefully!
