

Miss Brittany's Newsletter

September 5th - 9th

What we are doing this week:

This week we will continue to work on tracing on the line and tracing and writing our names. Also, we will be working on the shape, rectangle and color green. We will continue to learn about Creation in Bible. We will also start our two-week unit on apples! Please be working with your child on what we are doing in class. Some things you can be working on are: writing and spelling their name, coloring neatly and in the lines, tracing dotted lines, recognizing letters and their sounds, recognizing numbers, etc. These are things that are always great to be working on with your child. Working with them on what we are working on in class will greatly benefit your child!

Looking Ahead:

September 21st, School Pictures

September 22nd, School Field Trip to the Farm! (9:30-11:30) Cost is \$4 a child and we will need drivers. I have a sign up sheet for drivers out by the sign in box. If we do not get enough drivers for the students in my class, we will not get to go on the field trip.

Reminders:

Please make sure your child has a change of clothes or two always in their cubby. This allows your child to be able to change their clothes if they were to have an accident. If we do not have a change of clothes in their cubby, we will have to call someone to bring us a change of clothes if they do have an accident. Thank you.

Scholastic Book Orders:

Scholastic Book Orders are due back **September 16th**. You can either order them online or bring them back to me. If you choose to have me order them, make a check out to Scholastic. If you would like to order any scholastic books online at any time, the activation code for my class is HHXDG. Ordering online gives our class a chance to get some free books!

Homework:

Homework is due Friday, September 9th. If their homework is completed neatly and they tried their best on it, they will get a treasure box toy.

Birthday's this month:

None

Have A Great Week!
