## September 19<sup>th</sup>-23<sup>rd</sup>

### What we are doing this week:

This week we will start working on the letter Bb and its sound. We will learn to write the letter Bb. We will learn the number one as well as learn how to write it. Also, we will be working on the shape, circle and color red. We will start our two-week unit on the Farm. Be sure and review with your child the shapes, colors, letters and numbers we have done up to this point. This way they can remember all the information. Also, please be working with your child on what we are doing in class. Some things you can be working on are: writing and spelling their name, coloring neatly and in the lines, tracing dotted lines, recognizing letters and their sounds, recognizing numbers, etc. These are things that are always great to be working on with your child. Working with them on what we are working on in class will greatly benefit your child!

### Looking Ahead:

October 11<sup>th</sup>- field trip to Silveyville Pumpkin Patch. List for drivers will be put out sometime soon. The cost for this field trip will be \$6 a child.

October 28<sup>th</sup>- Harvest Party- we will need several parent volunteers to make this happen. We want to do a number of games and activities as well as have a potluck luncheon. Please feel free to ask me any questions about this. You will definitely be able to get volunteer hours for this if you help work and/or bring food for the luncheon. We would like each family to sign up to bring an item for the potluck. More information about this will be sent home soon.

### Reminders:

September 21<sup>st</sup> is school pictures. These pictures will appear in the yearbook so have your child look their best! ☺

September 22<sup>nd</sup> is the field trip to the farm. Remember to bring your child's car seat that day. Also, drivers, you need to be here by 8:45 that day. Thank you.

Our school collects box tops in order to get money for the school. You can find labels for education on many things! Sometimes it is just a little thing near the barcode that says labels for education or something along those lines. Please save them and bring them in so that we can get money for our school. Thank you!

### Scholastic Book Orders:

If you would like to order any scholastic books online at any time, the activation code for my class is HHXDG. Ordering online gives our class a chance to get some free books!

### Homework:

Homework is due Friday, September 23<sup>rd</sup>. If their homework is completed neatly and they tried their best on it, they will get a treasure box toy. Note that if they do not have their homework **complete** they will not be able to receive a treasure box. Read carefully!

### Birthday's this month:

Rishona's Birthday was September 10, 2011!!
