

Mrs. Maria's Classroom News

Nov. 14-18

A peek at the week:

Letter "Kk" Number "10." I have finished testing the children and once Mrs. Reed looks them over I will be sending them home. The children have been getting a two-three step directions on their seatwork. They need to listen carefully at circle time. We are practicing our Christmas songs every day. Our Christmas program will be early December. Attached you will find the songs we are singing. The children are singing Rudolph the Red Nosed Reindeer, Up on the Housetop, and Go Tell it on the Mountain. Our class will only be singing the echo on Rudolph the Red Nosed Reindeer. Please practice at home.
