

Mrs. Maria's Classroom News

Nov. 7-11

A peek at the week:

Letter "Jj" Number "9." We are also reviewing the letters that we have done. I will be finishing up testing the children, hopefully this week. We have been working on following directions in class and we will continue working on this. The class needs to listen carefully to directions. We are practicing our Christmas songs. Our Christmas program will be early December. I will be sending home the songs that the children will be singing so they can practice at home.
