

Mrs. Maria's Classroom News

October 17-21

A peek at the week:

We will be learning to write the letter Gg and number 6. Please have your child practice drawing the shapes we have learned. Please have your child practice writing their upper and lower case letters and numbers that we have learned. For practice you may ask your child to give you words that begin with the letter we are working on for the week.

Looking Ahead:

Oct. 28...Harvest Festival and Pot luck luncheon. We will need parent volunteers to help out with our festival. We still need parents to help with our festival. **The children may wear farm related costumes. NO other costumes other than farm related costumes. Examples: pumpkins, any farm animals, farmers, cooks, cowboy/girl, scarecrow.**

Reminders:

Please go over your child's homework packets before turning in. I have been getting incomplete homework. Your child will not get a treasure box toy if the work is not complete. Also make sure that they take their time doing their work. They color very well in class so they need to be coloring nicely on their homework.

Thank You:

Shondelle, Linda, Willene, Jerry, Leony, Henry, Maria, Shaun, Lam, for driving on our field trip to Silveyville. ☺

October Birthdays:

Dorien...7

Jaia...11

Miss Brittany...22
