# Communication

At SCA, education is a partnership between students, teacher, parent, and God. We value parents' involvement at every level and encourage you to partner with us. In order for this partnership to be effective, we need to be able to communicate.

Please feel free to call me, write a note, or e-mail me if you have concerns or questions about your child's education. We are always available to schedule a conference to discuss any issue or concern you have regarding your child.

Translators are available at no cost for Spanish speaking parents. You may request a translator by contacting the school office. You may also send a note, and we will have it translated.

**Read to your child and allow them to read to you.**

**Ask your child about school and take an interest in what they are learning**

**Solano Christian  
Academy**

**KINDERGARTEN**

*Wish It  
Dream It      Do It*

## Our Philosophy:

We understand that your child comes to us with unique experiences, interests, and learning styles. Our goal is to truly know your child well and use this knowledge to guide, support and motivate him or her. We believe that good teaching requires continual professional development, personal reflection, and collaboration. We value parent involvement at every level and encourage you to partner with us to give your child the most powerful and joyous learning experience possible.

## Behavior Expectations:

We have high expectations for the students in our classrooms. We expect the students to achieve academically to their fullest potential. We expect students to contribute in a positive manner to our classroom. The following is a list of rules for SCA.

1. Show respect
2. Make good decisions
3. Solve problems

We will use a "color chart" system to help monitor these behaviors. You will receive information about your child's behavior daily.

## Take Home Folders:

The homework folder listed on the supply list will be used as a take home folder.

**Please check these folders nightly and return them each day.** All important papers and finished work will be sent home in this folder each day. The other folder will be kept in the classroom for class use.

## Homework:

Your child will have homework each Friday for the week. It will reflect the skills that we are covering. Homework is due the following Monday. If the homework appears to be too difficult or too easy for your child, feel free to contact me. We reward students who bring in their homework, weekly. It begins a great habit for a successful school career.

## Newsletter:

We want to make sure you are informed of upcoming events and what your child is learning in school. A newsletter will come home weekly, but your child's work will come home daily. Newsletters will contain upcoming events and information pertinent to the coming week

## About Us:

I am an experienced teacher who has been blessed to be teaching here at SCA. This year will begin my 28th year. I am mother of two adult sons, both have wonderful memories of their experience at SCA. I have a granddaughter who graduated from SCA and a grandson who will begin in the fall.

I have a wonderful aide who assists me; she too has two children. Her son just graduated and her daughter is currently attending. We are in constant communication and are very committed to providing your child with the best possible school experience. It is going to be a great year!

## KINDERGARTEN

Read to your child and allow them to read to you.

Ask your child about school and take an interest in what they are learning

Make sure they get enough sleep

Set limits on the amount of TV they watch. (We have a lunch program available at SCA.)
